Internship*

EXPECTATIONS:

Our Game Day Operations Interns are an integral part of our game day staff. Without a fantastic group of engaging individuals, we would not be able to put on a show for our fans! We are looking for individuals who are excited to be a part of a fast-paced work environment that requires quick thinking, creativity and interaction with fans, staff, players, coaches, scouts, media, etc.

Game Day Operations Interns will:

- Setup and breakdown for all home games
- Execute pre-game, intermission, post-game promotions
- Interact with fans at home games to create a fun and exciting atmosphere
- Assist Front Office Staff with all game day operation needs

Interns will be offered other opportunities as well:

As an organization, we want to provide as much support and opportunities for our interns as possible. Interns who show interest in other areas of sports management can take advantage of opportunities such as:

- Working in the Front Office during non-game days
- Support our community events outside of home games
- Learn about sponsorship sales
- Learn about marketing initiatives
